Reinforcing Healthcare Progress™

With Healthcare Triangle by your side, you'll improve end-user satisfaction, increase staff efficiency, and save money.

Helping a recent Community Connect customer, we found ways to save \$500k in resource efficiency, which will now be realized for the duration of their program rollouts.

Community Connect MDs demonstrated a **25% reduction** in the time spent on Epic.

In one facility, the HIM department saved two hours a week they used to spend running reports and printing letters.

The Epic team from Healthcare Triangle has been there every step of the way to ensure success for our customers.

By making recommendations staff could immediately adopt and implement, results were achieved effectively and efficiently.

Thanks to Healthcare Triangle, we are so much more confident in what we are doing in Epic.
